(Excluding candidates for Federal Office)

Statement of Organization (NADC Form A-1)

Filing Requirement: A candidate who raises, expends or receives more than \$5,000 in a calendar year for the purpose of advancing his or her candidacy must file a Statement of Organization with the Nebraska Accountability and Disclosure Commission (NADC). What is a Statement of Organization: It discloses the names of the candidate and treasurer, the name/address of the committee and the office sought. It also identifies the financial institution in Nebraska in which the committee has its official depository.

What is the purpose of a Statement of Organization: It puts the committee on the NADC mailing list and permits the NADC to contact the committee with important information and filing requirements.

Other: A filing fee of \$100 payable to the State of Nebraska is required at the time of the filing of the Statement of Organization. Failure to timely file the statement and the filing fee may result in late filing fees and civil penalties.
