

Introduction

The Nebraska Accountability and Disclosure Commission has prepared this informational brochure for use by candidates seeking nomination or election in the 2019 City of Lincoln Primary and General Elections. This brochure summarizes the obligations of all candidates for office in the Lincoln City elections under the Nebraska Political Accountability and Disclosure Act (NPADA) (§§49-1401 et. seq., Nebraska Revised Statutes). This brochure is not for use by candidates for offices other than those subject to election in the 2019 Lincoln City elections. **All candidates and committee treasurers should carefully review this brochure. Candidates and their committee treasurers are responsible for compliance with the NPADA.**

The Commission also publishes a treasurer's guide which provides additional information regarding the campaign finance provisions of the NPADA. The Treasurer's Guide can be obtained from the Commission. **All candidates should make sure that either they or their committee treasurer have a copy of the Revised Candidate Committee Treasurer's Guide published in 2015.**

All statements and reports filed by candidates, as well as by various political committees and other filers, are public records. They are available for public inspection at the office of the Commission during regular business hours, which are 8:00 a.m. to 5:00 p.m. Central Time, Monday through Friday (state holidays excluded). Most reports and statements may be viewed at the Commission's website at <http://www.nadc.nebraska.gov/ccdb/search.cgi>. Forms and publications may also be obtained from the Commission's website.

Anyone having questions regarding his or her obligations under the NPADA is encouraged to contact the Commission by mail, telephone, or email at:

SECTION I

Important Information for 2019

- A committee is formed when more than \$5,000 is raised or received or expended in a calendar year, including the candidate's own money, for campaign purposes.
- Contributors must be listed on Schedules A or B if they contribute more than \$250.
- Expenditures of more than \$250 must be listed on Schedule D, Section 1. Unpaid bills/expenditures of more than \$250 must be listed on Schedule D, Section 2.
- Limited liability companies and limited liability partnerships, along with corporations, unions, industry associations, trade associations and professional associations must report contributions and expenditures of more than \$250 on Form B-7.

SECTION II

Statements of Financial Interests

A candidate for the office of Mayor or City Council member in the 2019 Lincoln City Elections must file a *Statement of Financial Interests* (NADC Form C-1) with the Nebraska Accountability and Disclosure Commission on or before March 1, 2019.

Furthermore, if a candidate for the office of Mayor or City Council Member files during 2018 to run for office in 2019, the candidate must also file a Statement of Financial Interests (NADC Form C-1) covering calendar year 2017 with the Nebraska Accountability and Disclosure Commission. This statement must cover the calendar year preceding the year in which the candidate files for office (i.e., if the candidate files for office in 2019, the *Statement of Financial Interests* must cover calendar year 2018).

It is highly recommended that a Statement of Financial Interests be filed with the Commission at the same time that the candidate files with the Election Commissioner to have his or her name appear on the ballot. **Failure to have the required Statement of Financial Interests on file with the Commission may result in the candidate's name not appearing on the ballot.**

SECTION III

Organizational Requirements

All candidates seeking elective office in the 2019 Lincoln elections are subject to the campaign finance provisions of the Nebraska Political Accountability and Disclosure Act (NPADA).

A "candidate," as defined by the NPADA, is not limited to an individual who has filed for elective office. Any individual who receives a contribution or makes an expenditure, or gives consent for

another to do so, with the intent of bringing about his or her nomination or election to an elective office is a "candidate," regardless of whether the specific office the individual will seek is known at the time the contribution is received or the expenditure is made.

All candidates must keep records of contributions received and expenditures made. Under the NPADA, "contributions" are defined as money or anything of monetary value received by a candidate in support of his or her election. Contributions include the following:

- 1) The candidate's personal funds and/or property used for campaign purposes;
- 2) Loans received by the candidate for campaign purposes;
- 3) All funds, goods, and services received from others for campaign purposes; and
- 4) A pledge or promise of another to provide money or anything of ascertainable value for campaign purposes.

Under the NPADA, "expenditures" are defined as money or anything of monetary value paid by a candidate or with a candidate's knowledge in support of his or her election. A promise or pledge to pay is an expenditure made at the time the promise or pledge is made. **An unpaid campaign expense is considered an expenditure as of the date the obligation to pay is incurred even if payment is not yet due.**

A candidate committee is formed, by law, on the date a candidate first raises, receives, or spends more than **\$5,000** during any calendar year in support of his or her election.

REMINDER: The candidate's personal funds and/or property used for campaign purposes are considered campaign contributions and campaign expenditures. A candidate who finances his or her campaign solely with personal funds and spends more than \$5,000 during any calendar year has, by law, formed a candidate committee.

Upon the formation of a candidate committee, the candidate must:

- Appoint a committee treasurer who is a qualified elector of the State of Nebraska. A candidate may serve as treasurer of his or her own committee. If there is no appointed treasurer, the candidate is the treasurer.
- Establish a separate account in a financial institution in Nebraska as an official depository of all contributions received by the candidate. All expenditures made by the candidate to support his or her election must be made from this account. Do not commingle these funds with any other funds.

Secondary accounts may also be established for the sole purpose of transferring funds to the official depository account. No expenditures may be made from any secondary account.

- File a *Statement of Organization of a Political Committee* (NADC Form A-1) with the Commission within ten days after the committee is formed by law (within ten

days after exceeding the \$5,000 threshold, or within two days as noted at SPECIAL PROVISION on page 7). **At the time of filing the committee must pay a filing fee of \$100.** The check or money order should be made payable to the State of Nebraska. A Statement of Organization is not considered “filed” if it is not accompanied by the filing fee.

NOTE: Required filings which are not filed by the due date are subject to late filing fees!

SECTION IV

Restrictions on Loans and Interest

Loan Restrictions: Under the NPADA, there are limits on the amount of loans a candidate and his or her candidate committee may receive for campaign purposes. These limits apply to two separate and distinct time periods. The first period covers the candidate committee until thirty days after its formation. The second period covers the candidate committee starting thirty-one days after its formation.

LOAN LIMIT -- PERIOD 1: **Prior to or during the first thirty days after its formation,** a candidate committee shall not accept loans totaling more than \$15,000.

LOAN LIMIT -- PERIOD 2: **Beginning with the thirty-first day after its formation,** a candidate committee shall not accept loans totaling more than fifty percent of the contributions of money, excluding the proceeds of loans, which the candidate committee has received. This restriction continues until the end of the term of office for which the candidate sought election, regardless of whether the candidate is elected to office.

EXAMPLE (Period 1): Candidate A's candidate committee was formed by law on June 15, 2018. As of July 15, 2018 [the last day of Period 1], Candidate A's committee was limited to a total of \$15,000 in campaign loans accepted, regardless of the amount of contributions of money other than proceeds of loans received by Candidate A's committee. (Contributions received by a candidate committee have no effect on that committee's loan limit for Period 1).

EXAMPLE (Period 2): Candidate A's candidate committee was formed by law on June 15, 2018. As of August 15, 2018, Candidate A's committee had received a total of \$10,000 in contributions of money other than proceeds from loans. As of August 15, 2018, Candidate A's committee was limited to \$5,000 [50% of \$10,000] in campaign loans accepted on or after July 16, 2018 [the first day of Period 2], regardless of the amount of loans received by Candidate A's committee prior to July 16, 2018. (Loans received by a committee during Period 1 have no effect on that committee's loan limit for Period 2).

Interest Payment Restrictions: A candidate committee may not pay interest on a campaign loan it has received from the candidate, from a member of the candidate's immediate family, or from a business with which the candidate is associated.

The candidate's immediate family includes a child residing in the candidate's household, the

candidate's spouse, or an individual claimed by the candidate or his/her spouse as a dependent for federal income tax purposes.

A "business" is defined as any corporation, partnership, limited liability company, sole proprietorship, firm, enterprise, franchise, association, organization, self-employed individual, holding company, joint stock company, receivership, trust, activity, or entity. Non-profit entities are included in the definition of "business".

A business with which the candidate is associated includes a business in which the candidate is a partner, limited liability company member, director, or officer. A business with which the candidate is associated also includes a business in which the candidate or a member of the candidate's immediate family is a stockholder of:

- closed corporation stock with a fair market value of \$1,000 or more;
- closed corporation stock which represents more than a five percent equity interest;
- publicly traded stock with a fair market value of \$10,000 or more; or
- publicly traded stock which represents more than a ten percent equity interest.

SECTION V

Campaign Reporting Requirements of Candidate Committees

This section outlines campaign finance reports which candidate committees are required to file. These filings must be made with the Commission. Reporting forms are available from the Commission. Forms may also be downloaded from the Commission's website on to a personal computer. Reports may be completed on the personal computer. Once complete, a print copy of the completed report should be forwarded to the Commission. Forms may be downloaded from the Commission's website at <http://www.nadc.nebraska.gov/cf/forms.html>. You may access forms from our homepage (<http://www.nadc.nebraska.gov>) by clicking on the link "Forms" appearing on the left side of the page.

Statement of Organization of a Political Committee (NADC Form A-1): The Statement of Organization registers a candidate committee with the Commission. A candidate committee must file its Statement of Organization within ten days after the committee is formed by law (within ten days after exceeding \$5,000 in receipts or expenditures in a calendar year). A candidate committee's failure to file a required Statement of Organization is subject to late filing fees, and may also result in civil penalties. **At the time of filing the committee must submit a filing fee of \$100.** The check or money order should be made payable to State of Nebraska. **A Statement of Organization is not considered filed until both the statement and the filing fee have been received by the Commission.**

NOTE: The Commission considers a Statement of Organization to be a timely filing if it and the \$100 filing fee are either received in the Commission's office or postmarked by the U.S. Postal Service on or before its due date. Filings made by private delivery service, rather than the U.S. Postal Service, are considered filed when physically received at the Commission office. The Commission's office hours for receiving hand deliveries of reports and statements are 8:00 a.m. to

5:00 p.m. Central Time, Monday through Friday, State holidays excepted. Any candidate committee which does not file its Statement of Organization in a timely manner is subject to late filing fees of \$25 per day for each day the statement remains not filed, not to exceed \$750 plus interest. In addition, any candidate committee's failure to file a required Statement of Organization may result in civil penalties. State law makes the candidate personally liable for the payment of any late fees, civil penalties and interest in the event that the committee does not make full payment.

SPECIAL PROVISION: During the 30 days immediately preceding the election, a candidate committee must file its Statement of Organization within **2 days** after the committee is formed. For the Lincoln Elections, the 2 day provision applies from March 10 to May 6, 2019, inclusive. During this period the late filing fee for failing to timely file a Statement of Organization is \$100 per day not to exceed \$1,000.

Any changes to your information included in the Statement of Organization must be reported to the Commission. These changes are due by the next campaign statement filing due date and are also subject to late filing fees. These changes must be provided in writing, reported on an amended Statement of Organization, or reported on a *Campaign Statement*. **It is important that a candidate committee report any changes of the committee's address or treasurer.** This helps ensure that the committee receives important notices from the Commission.

Once formed, a candidate committee remains in existence until the committee is formally dissolved. Under the NPADA, a candidate committee remains in existence and subject to all filing requirements of the NPADA **unless and until** a *Statement of Dissolution of a Political Committee* (NADC Form A-2) is filed by the committee and accepted by the Commission.

Incumbent officeholders and candidates active in prior elections who are not sure whether their candidate committees are dissolved should contact the Commission. **A candidate committee which is inactive but not dissolved is subject to all filing requirements.**

Election year Campaign Statement (NADC Form B-1): Candidate committees of candidates seeking office in the 2019 elections must file *Campaign Statements*. A campaign statement is a public document which discloses who has made contributions to the candidate committee and the amount of contributions. Campaign statements also disclose expenditures made by the committee. Campaign statements must be filed according to the following schedule:

Lincoln Primary Election (April 9, 2019)

Report	Due Date	Reporting Period
1 st Primary Statement	March 11, 2019	through March 5, 2019
2 nd Primary Statement	April 1, 2019	March 6 through March 25, 2019
*Post Primary Statement	May 20, 2019	March 26 through May 14, 2019

*NOTE: If you advance to the Lincoln General Election, your committee should not file a Post Primary Statement.

If you advance to the General Election, your committee will be required to file additional *Campaign Statements* for the 2019 Lincoln City General Election according to the following schedule:

Lincoln General Election (May 7, 2019)

Report	Due Date	Reporting Period
1 st General Statement	NOT REQUIRED	
2 nd General Statement	April 29, 2019	March 26 through April 22, 2019
Post General Statement	June 17, 2019	April 23 through June 11, 2019

If you do not advance to the General Election, your committee should not file *Campaign Statements* for the General Election.

Period Covered by *Campaign Statements*: The reporting period for a *Campaign Statement* begins with the day after the closing date of the committee's previous *Campaign Statement* and ends with the closing date of the *Campaign Statement* due. For candidate committees which are filing their first *Campaign Statement*, the reporting period begins with the date money was first raised, received, or expended.

Candidate committees which are formed by law after the closing date of one or more of the statements for an election must file the *Campaign Statement* next due and all subsequent filings for that election. EXAMPLE: Candidate B's candidate committee is formed by law on March 7, 2019. The first *Campaign Statement* required to be filed by Candidate B's committee would be the 2nd Primary Statement due April 1, 2019.

Candidate committees of candidates who do not advance to the General Election are not required to file *Campaign Statements* for the General Election.

NOTE: The Commission considers a *Campaign Statement* to be a timely filing if it is received in the Commission's office or postmarked by the U.S. Postal Service on or before its due date. Filings made by private delivery service, rather than the U.S. Postal Service, are considered filed when physically received at the Commission office. A filing is also considered timely filed if it is received at the Commission office at or before 11:59 p.m. Central Time on the date due and the filing is made in a manner that permits the Commission to determine the time of receipt. Reports may be faxed to the Commission office at 402-471-6599. You may call the Commission to confirm that the fax has been received. Reports may also be e-mailed to the Commission office. It is the responsibility of the filer to insure that fax and e-mail transmissions are received by the Commission. The Commission's office hours for receiving hand deliveries of reports and statements are 8:00 a.m. to 5:00 p.m. Central Time, Monday through Friday, State holidays excepted. Any candidate committee which does not file a *Campaign Statement* in a timely manner is subject to late filing fees of \$25 per day for each day the statement remains not filed, not to exceed \$750 per statement plus interest. In addition, any candidate committee's failure to file a required *Campaign Statement* may result in civil penalties. **Important:** State law makes the candidate personally liable for any late fees, civil penalties and interest in the event that the

committee does not make full payment.

Special Note: Campaign statements may be filed electronically. An electronically filed campaign statement is considered timely filed if it is submitted through the Commission's electronic filing system at or before 11:59 p.m. on the date due. In order to be eligible to file electronically, the committee must apply in advance for electronic filing credentials.

Special Note to Committees Using the Services of Advertising Agencies or Reimbursing Others for Expenditures Incurred on Behalf of the Committee: An advertising agency (or other independent agent or contractor) shall not make any expenditure on behalf of a candidate committee unless the candidate committee reports the expenditure as if made directly by the committee, or unless the advertising agency (or agent or contractor) files an Agent's Expenditure Report (Form B-10). The advertising agency (or agent or contractor) must either provide the candidate committee with all the information the committee is required to report or file an Agent's Expenditure Report. Candidate committees should make sure that their advertising agencies (or agents or contractors) understand this requirement.

Likewise, reimbursements made to others for expenses incurred on behalf of the committee must include the name and address of the payee and the name and address of the actual provider of the goods or services.

Annual Campaign Statement: All candidate committees must file an *Annual Campaign Statement* for each calendar year in which the committee was not required to file election period *Campaign Statements*. The reporting period for an *Annual Campaign Statement* is generally the calendar year. For the exceptions, see the instructions to NADC Form B-1. The due date of an *Annual Campaign Statement* is January 31 of the following year or on the next business day if the 31st falls on a weekend or state holiday.

All candidate committees (running in 2019) in existence as of December 31, 2018 must file an *Annual Campaign Statement* for calendar year 2018 on or before January 31, 2019.

Electronic Filing: Candidates may file campaign statements electronically. A candidate committee that wants to file campaign statements electronically should submit an application for electronic filing. The electronic filing application can be downloaded from our website at <http://www.nadc.nebraska.gov/cf/forms.html>. The application may be faxed or e-mailed. An original signed copy of the form must also be filed with the Commission.

Report of Late Contribution (NADC Form B-5): Under the NPADA, a "late contribution" is defined as a contribution (including an in-kind contribution, a loan or a pledge) of \$1,000 or more received from a single source (including the candidate) during the 14 day period immediately preceding an election. For the 2019 Lincoln Primary Election, this period runs from March 26 through April 8, 2019. For the 2019 Lincoln General Election, this period runs from April 23 through May 6, 2019.

Any candidate committee of a candidate seeking office in the 2019 Lincoln elections which receives

a late contribution must file a *Report of Late Contribution* within **two** days after the contribution is received by the committee.

NOTE: The Commission considers a *Report of Late Contribution* to be a timely filing if it is received in the Commission's office or postmarked by the U.S. Postal Service on or before its due date. Filings made by private delivery service, rather than the U.S. Postal Service, are considered filed when physically received at the Commission office. A filing is also considered timely filed if it is received at the Commission office at or before 11:59 p.m. Central Time on the date due and the filing is made in a manner that permits the Commission to determine the time of receipt. Any candidate committee which does not file a *Report of Late Contribution* in a timely manner is subject to late filing fees of \$100 per day for each of the first 10 days the report remains not filed. Beginning on the 11th day an additional daily late fee of 1% of the amount to be disclosed by the report is assessed, not to exceed 10%. In addition, any candidate committee's failure to file a required *Report of Late Contribution* may result in civil penalties. Interest accrues on unpaid late fees and civil penalties. State law makes the candidate personally liable for late fees, civil penalties and interest. Reports of Late Contribution may be faxed to the Commission office at 402-471-6599. You may call the Commission to confirm that the fax has been received. Reports of Late Contribution may also be e-mailed to the Commission office. It is the responsibility of the filer to insure that fax and email transmissions are received by the Commission.

Statement of Dissolution of a Political Committee (NADC Form A-2): Once formed, a candidate committee remains in existence until it is formally dissolved. Any candidate who does not win election to office may wish to dissolve his or her candidate committee. A candidate committee may dissolve if the committee:

- 1) Does not expect to receive additional contributions;
- 2) Has paid or resolved all of its outstanding debts and obligations; and
- 3) Has disposed of all unexpended funds and any other assets of the committee.

To begin the dissolution process, the candidate committee must file a Statement of Dissolution along with a final *Campaign Statement* which shows that the committee has no remaining obligations or assets. The candidate committee is not dissolved until its Statement of Dissolution is accepted by the Commission. The Commission will advise you by letter of its acceptance of the dissolution.

NOTE: An incumbent officeholder may not dissolve his or her candidate committee except under certain circumstances. Any incumbent officeholder who wishes to dissolve his or her candidate committee should contact the Commission for further information.

SECTION VI

Depository, Contributions and Record Keeping Requirements

Each candidate committee shall designate one account in a financial institution in Nebraska as the committee's official depository for the purpose of depositing all campaign contributions which it

receives in the form of or converts to money, checks, or other negotiable instruments, and for the purpose of making all campaign expenditures. No expenditure shall be made by a candidate committee without the authorization of the committee's treasurer or assistant treasurer. Contributions received or expenditures made by a candidate or a candidate's agent shall be considered received or made by the candidate committee.

Contributions received by a candidate committee shall not be commingled with any funds of the candidate, the committee treasurer, an agent of either, or any other person.

Contributions of more than \$50 must be received by check, money order, credit card or other written instrument. Contributions of more than \$50 in currency cannot be accepted. Anonymous contributions cannot be retained. They must be donated to a tax-exempt charitable organization and a receipt must be obtained.

The treasurer of a candidate committee shall maintain detailed records and adequate supporting documentation of all contributions received by the committee. This includes cash contributions, in-kind contributions, pledged contributions, earmarked contributions (contributions received through a third party), and loans. **The treasurer must keep records of all committee receipts and all committee expenditures.**

Contributions received by the candidate or by an agent of either the candidate or the committee treasurer must be promptly reported to the committee treasurer.

IMPORTANT: Under the NPADA, **the date a candidate committee receives a contribution is the date that the contribution was received by the candidate, the committee treasurer, or an agent of either**, regardless of the date of the check or when the contribution was deposited into the committee's campaign account. Under the NPADA, the date on which a contribution is received is the date which must be used for reporting purposes. Under the NPADA, a pledged contribution is considered a contribution on the date the pledge is made.

EXAMPLE: Candidate C receives a \$300.00 monetary contribution on March 22, 2019, but does not deposit this contribution into his or her committee's campaign account until March 26, 2019. This contribution is considered received by Candidate C's committee on March 22, 2019, and must be reported on the committee's 2nd Primary Statement filed by Candidate C's committee.

The treasurer of a candidate committee should use the committee's records to help ensure that the committee does not exceed the loan limitations of the NPADA.

The treasurer of a candidate committee shall maintain detailed records and adequate supporting documentation of all expenditures made by the committee.

A candidate committee must maintain its records for a period of five years after the committee is formally dissolved.

For additional information concerning record keeping requirements of a candidate committee,

please refer to the Candidate Committee Treasurer's Guide, a separate publication which is available from the Commission.

SECTION VII

Campaign Advertising Requirements

Identification of Campaign Advertising: Printed materials which refer to a candidate's campaign must contain the name and street address of the person or committee that paid for those materials. This identification is known as a disclaimer. If the person who paid for the materials received reimbursement from a candidate committee, the candidate committee is considered to have paid for the materials. The following is an example of a disclaimer for printed materials that complies with the law:

Paid for by the Sam Jones Election Committee
1234 North 12th Street
Anywhere, NE 68000

Television and radio advertisements must include the name of the person or committee who paid for the ads. The person's or committee's street address need not be included in the ad if the station(s) running the ad agree to keep the person's or committee's name and street address on file and available to the public for six months after the advertisement runs. If the person who paid for the advertisement received reimbursement from a candidate committee, the candidate committee is considered to have paid for the advertisement.

A message relating to a candidate or ballot question disseminated by any electronic means, including the internet or email shall include the name of the person making the expenditure. If the person sending the message received reimbursement from a candidate committee, the candidate committee is considered to have paid for the message.

A prerecorded message relating to a candidate or ballot question disseminated by any means of telecommunication shall include the name of the person or committee who paid for the message. The identification shall immediately precede the message. These calls can be made only between the hours of 8:00 a.m. and 9:00 p.m. at the location of the person receiving the message. A person or committee disseminating by any means of telecommunication a message not prerecorded relating to a candidate or ballot question shall disclose the name of the person or committee paying for the message upon the request of the recipient of the message. If the message is disseminated through an agent or employee of the person or committee making the expenditure for the message, the disclosure shall be of the identity of the person or committee making the expenditure.

NOTE: Nebraska State Law requires the registration of automatic dialing machines. For information on registration contact the Nebraska Public Service Commission at 1200 "N" Street, Suite 300, Lincoln, NE 68508. The telephone number is 402-471-3101 and the web address is www.psc.nebraska.gov.

Any candidate who uses only his or her personal resources to pay for campaign advertising and does not have a candidate committee (has not exceeded \$5,000 of receipts or expenditures) is exempt from the requirements to identify campaign advertising. A candidate's exemption ends if and when that candidate forms a candidate committee by law.

Certain items which are printed or reproduced at the request of the candidate or committee are exempt from the identification requirements. Exempt items include windshield stickers, yard signs, bumper stickers, campaign buttons, balloons, billboards, and other items as specified in Commission Rule 8.

For further information regarding campaign advertising requirements, please refer to the copy of Commission Rule 8 which is included in this brochure.

SECTION VIII

Reporting Requirements of Others

Report of Political Contributions of a Corporation, Union or Other Entity (NADC Form B-7): Any corporation, labor organization, limited liability company (LLC), limited liability partnership (LLP) or industry, trade, or professional association which is either organized under the laws of the State of Nebraska (including any corporation registered with the Nebraska Secretary of State's office) or does business within the State of Nebraska is required to report political contributions of more than \$250 to the Commission. Any contribution by one of these entities of more than \$250 is reportable. This includes any direct contribution (cash, pledge, or loan) to, in-kind contribution to, or independent expenditure on behalf of a candidate committee.

The contributor is responsible for filing this report. However, candidates should inform their contributors of this requirement and consider giving them a blank copy of NADC Form B-7. A contributor's failure to file this report as required is subject to late filing fees, and may also result in civil and/or criminal penalties.

Major Out-of-State Contribution Report (NADC Form B-9): Under the NPADA, a "major out-of-state contributor" is defined as a corporation, union, industry association, trade association, or professional association which is not organized under the laws of Nebraska and makes contributions or expenditures totaling more than \$10,000 during any calendar year. "Major out-of-state contributor" does not include: a person who files B-7 reports with the Commission; a committee registered with the Commission; or a committee registered with the Federal Election Commission. Any "major out-of-state contributor" is required to report its political contributions to the Commission.

The contributor is responsible for filing this report. However, candidates should inform their out-of-state contributors of this requirement and consider giving them a blank copy of NADC Form B-9. A contributor's failure to file this report as required is subject to severe late filing fees, and may also result in civil penalties.

Report of Earmarked Contribution (NADC Form B-3): Any person or committee who acts as an intermediary or agent for a contribution "earmarked" to a candidate committee is required to report the actual source of such a contribution to the Commission. Under the NPADA, a completed copy of this form must also be filed with the candidate committee when an "earmarked" contribution is made. **Note:** This report is required for any contribution amount, there is no threshold.

The intermediary or agent is responsible for filing this report. However, candidates should inform the intermediary or agent of this requirement. An intermediary's or agent's failure to file this report as required is subject to late filing fees, and may also result in civil and/or criminal penalties.

Report of Independent Expenditure (NADC Form B-6): Under the NPADA, an "independent expenditure" is defined as an expenditure to influence an election which is not a contribution to a committee and which is not made at the direction of, under the control of, or with the cooperation of another person. An independent expenditure supporting a candidate is an expenditure which is made by a person which is not at the direction of, under the control of, or with the cooperation of, the candidate, the candidate's committee, or the candidate's agents.

Committees [political party committees and PACs or separate segregated political funds] should report independent expenditures on their *Campaign Statements*. Corporations, labor organizations, limited liability companies, limited liability partnerships and industry, trade, or professional associations should report independent expenditures on their *Reports of Political Contributions of a Corporation, Union or Other Entity* (or on their Major Out-of-State Contribution Reports).

Any person, **other than** a committee, corporation, labor organization, limited liability company, limited liability partnership or industry, trade, or professional association, who makes an independent expenditure of more than \$250 to support or oppose the nomination or election of a candidate or the passage or defeat of a ballot question, must report the independent expenditure on NADC Form B-6.

The person making the independent expenditure is responsible for filing this report. Any such person's failure to file this report as required is subject to late filing fees, and may also result in civil and/or criminal penalties.
