

Nebraska Political Accountability and Disclosure Act (With 2014 Amendments)

49-1401. Act, how cited. Sections 49-1401 to 49-14141 shall be known and may be cited as the Nebraska Political Accountability and Disclosure Act.

49-1402. Legislative findings. The Legislature finds: (1) That the public interest in the manner in which election campaigns are conducted has increased greatly in recent years, creating a need for additional disclosure and accountability;

(2) That there is a compelling state interest in ensuring that the state and local elections are free of corruption and the appearance of corruption and that this can only be achieved if (a) the sources of funding of campaigns are fully disclosed and (b) the use of money in campaigns is fully disclosed;

(3) That it is essential to the proper operation of democratic government that public officials and employees be independent and impartial, that governmental decisions and policy be made in the proper channels of governmental structure, and that public office or employment not be used for private gain other than the compensation provided by law; and

(4) That the attainment of one or more of these ends is impaired when there exists, or appears to exist, a substantial conflict between the private interests of a public official and his or her duties as such official; and that although the vast majority of public officials and employees are dedicated and serve with high integrity, the public interest requires that the law provide greater accountability, disclosure, and guidance with respect to the conduct of public officials and employees.
