Primary, General, and Special Elections Summary of Political Campaign Finance

Candidates and Ballot Questions

This report summarizes how candidate and ballot question committees were financed during the 2011 Lincoln and other City Elections. The information was obtained from the Campaign Statements (NADC Form B-1) filed by the candidates and ballot question committees.

The City of Lincoln held elections on April 5, 2011 and May 3, 2011. The City of Omaha held a mayoral Recall Election on January 25, 2011. Other ballot issues were contested on various dates throughout the year.

In the summary, “Annuals” refers to annual campaign statements filed leading up and prior to the 2011 election year. “Primary” refers to campaign statements filed for the primary election. “General” refers to campaign statements filed for the general election. “Receipts from Others” includes contributions from Businesses, PAC’s, and Political Parties. “Receipts from All Sources” also may include loans received or repaid and bank interest. “Won or Lost” next to Primary or General designates if the candidate won or lost the primary or general election.

Formation of a political committee was required upon raising, receiving or spending, more than \$5,000 within a calendar year to influence an election. Therefore, some candidates had no committees and some offices or ballot issues that appeared on the ballot may not be listed in this summary.

In the bottom right corner of each candidate or ballot question summary, there is a link to the filings of each committee that are available on-line. You may click on these links from your computer. However, for the most detailed information, you should visit our office (11th Floor, State Capitol) and examine the file for a given committee.
