

Introduction

The Nebraska Political Accountability and Disclosure Act governs the activities of persons who attempt to influence the introduction or enactment of legislation or resolutions before the Legislature. Under Nebraska law not all such activity is defined to be lobbying. Only those who lobby on behalf of another must register and file periodic reports disclosing lobbying activity. In other words, a person may "lobby" for himself or herself without being required to register as a lobbyist or file reports.

This guide is designed to assist lobbyists and principals in complying with the lobbying provisions of the law and filing required reports. Applications for registration and periodic reports are to be filed with the Clerk of the Legislature. All statements filed are public records. Statements are referred by the Clerk of the Legislature to the Nebraska Accountability and Disclosure Commission.

Registration and reporting forms are available from the office of the Clerk of the Legislature, the Nebraska Accountability and Disclosure Commission, or via the internet at <http://nadc.nol.org>.

Anyone having questions concerning the lobbying provisions of the Act is encouraged to contact the Nebraska Accountability and Disclosure Commission office.

LOBBYING, LOBBYIST AND PRINCIPAL DEFINED

Lobbying is the practice of promoting or opposing **for another person** the introduction or enactment of legislation or resolutions before the Legislature or the committees or members thereof. It includes the practice of promoting or opposing executive approval of legislation or resolutions. (Reference §49-1433 Nebraska Statutes)

Lobbying does not include “executive branch lobbying” with the exception of promoting or opposing executive approval of legislation or resolutions.

A **lobbyist** is a person who is authorized to lobby on behalf of a principal. (Reference §49-1434 Nebraska Statutes) A lobbyist includes an officer, agent, attorney, or employee of the principal who engages in lobbying activity.

A **principal** is a person who authorizes a lobbyist to lobby on the principal’s behalf. (Reference §49-1434 Nebraska Statutes)

Person is defined in part as a business, individual, proprietorship, firm, partnership, limited liability company, corporation, association, committee, or any organization, or group of persons acting jointly. (Reference §49-1438 Nebraska Statutes)

WHO MUST REGISTER AS A LOBBYIST?

Anyone who engages in lobbying activity on behalf of another must register as a lobbyist unless he or she falls within one of the exemptions. The person must register prior to the time he or she commences the lobbying activity. Even if a person is not compensated for lobbying activities, he or she must still register as a lobbyist. (Reference §49-1480)

WHO IS EXEMPT FROM REGISTRATION?

The following are not required to register as a lobbyist:

1. A public official or public employee of a branch of state government, except the University of Nebraska, or an elected

official of a political subdivision who is acting in the course or scope of his or her office or employment is not required to register as a lobbyist. (Reference §49-1434(3)(a))

2. Any publisher, owner or working member of the press, radio, or television while disseminating news or editorial comment to the general public in the ordinary course of business. (Reference §49-1434(3)(b))
3. An employee of the principal or lobbyist whose duties are confined to typing, filing, and other types of clerical work. (Reference §49-1434(3)(c))
4. Any individual who does not engage in lobbying activity for another person as defined in §49-1438. (Reference §49-1434(3)(e))
5. An employee of a political subdivision whose regular duties of employment do not ordinarily include lobbying need not register as a lobbyist as long as the employee is not additionally compensated, other than his or her salary, and is not reimbursed for any lobbying expenses except his or her travel, lodging, and meals and the meal expenses for members of the Legislature. (§49-1434(3)(f))

A person need not register as a lobbyist who limits his or her activities to:

1. Appearances before legislative committees as long as he or she advises the committee at the time of appearance whom he or she represents or that he or she appears at the invitation of a named member of the Legislature or at the direction of the Governor. (Reference §49-1434(d))
2. Writing letters or furnishing written material to members of the Legislature or to the committees thereof. (Reference §49-1434(d))

NEW REGISTRATION AS A LOBBYIST

An Application for Registration as a Lobbyist (NADC Form A) must be filed for each principal with the Clerk of the Legislature before engaging in lobbying activity. (Reference §49-1480 Nebraska Statutes) **Two copies of the application should be filed.**

A compensated lobbyist is a lobbyist who is compensated for his or her lobbying services. A lobbyist who is a paid member or paid employee of the principal and whose duties include lobbying activities is considered a compensated lobbyist. A compensated lobbyist pays a registration fee of \$200 per principal. (Reference §49-1480.01 Nebraska Statutes)

A non-compensated lobbyist is one who does not receive and does not anticipate receiving compensation. An officer or member of a principal is not a compensated lobbyist if he or she receives no compensation from the principal for any of the activities or duties performed for the principal. A non-compensated lobbyist pays a registration fee of \$15 per principal. (Reference §49-1480.01 Nebraska Statutes; section 003.03B, Rule 6)

A person registered as a non-compensated lobbyist who subsequently receives compensation shall, within five days of the receipt of the compensation, file an amended Application for Registration as a Lobbyist and pay an additional \$185 registration fee. (Reference §49-1480.01 Nebraska Statutes)

If information on the Application for Registration as a Lobbyist changes, the lobbyist must notify the Clerk of the Legislature in writing of the changes. This may be done by letter or by filing an amended Application for Registration. There is no fee for filing an amended Application for Registration. Changes may also be noted on the next quarterly report. (Reference §49-1483(4) Nebraska Statutes; section 005.01, Rule 6)

RENEWAL OF REGISTRATION

A lobbyist may renew his or her registration as a lobbyist for a principal. The Renewal of Registration as a Lobbyist (Form A-R) and registration fee must be filed with the Clerk of the Legislature before

the expiration of the current registration. All registrations terminate by operation of law on December 31st unless terminated sooner by the lobbyist or principal. (Reference §49-1480.01(3))

The Renewal of Registration as a Lobbyist must also state the compensation to be received or the basis of the compensation. For example, the Renewal of Registration may disclose that the lobbyist will receive \$100 per hour or it may disclose that the lobbyist will receive \$1,000 per calendar quarter. Another example may pertain to a lobbyist who is an employee of the principal and performs non-lobbying functions for the principal. The basis of compensation may be a percentage of lobbyist's regular salary attributable to time spent in lobbying activity.

Example: The executive director is a paid full time employee of ABC Association. She performs many duties for ABC, including acting as its registered lobbyist. She receives no extra money for lobbying and she never knows how much time she will spend in lobbying activity. She may appropriately show as compensation on her renewal form "That portion of salary attributable to lobbying."

QUARTERLY REPORTS-TIME OF FILING

A lobbyist must file with the Clerk of the Legislature a quarterly report for each principal within 30 days after the end of each calendar quarter. A lobbyist's quarterly report should be filed on NADC Form B. (Reference §49-1483 Nebraska Statutes) **Two copies of the quarterly report should be filed.**

A principal must file with the Clerk of the Legislature a single quarterly report within 30 days after the end of each calendar quarter. Even if a principal has more than one lobbyist, it shall file only one quarterly report. A principal's quarterly report should be filed on NADC Form C. (Reference §49-1483 Nebraska Statutes) **Two copies of the quarterly report should be filed.**

The calendar quarters are January 1st through March 31st (First Calendar Quarter), April 1st through June 30th (Second Calendar Quarter), July 1st through September 30th (Third Calendar Quarter) and October 1st through December 31st (Fourth Quarter). If the 30th

day falls on a weekend or a state holiday, the report is due on the next business day. (Reference §49-1483(8))

REPORTING RECEIPTS BY LOBBYIST

A quarterly report filed by a lobbyist shall disclose all lobbyist compensation received by the lobbyist. Lobbyist compensation is that compensation paid to a person for being a lobbyist. (Reference section 008.02 Rule 6)

1. When a principal retains the services of a person who has only part time lobbying duties, only the compensation paid which is reasonably attributable to lobbying is lobbyist compensation.
2. When a lobbyist is an employee of the principal, that part of the lobbyist's salary attributable to lobbying activities constitutes lobbyist compensation.
3. When a person engages the services of a lobbyist or principal for consulting or management services which include engaging in lobbying activities, part of the lobbyist's or principal's compensation for such services constitutes lobbyist compensation.

Lobbyist compensation is reported on page 2, line 1 of Form B.

A quarterly report filed by a lobbyist shall disclose lobbyist reimbursement. Lobbyist reimbursement means any payment to a lobbyist by the principal which reimburses the lobbyist, in whole or part, for an expenditure by the lobbyist which is reasonably attributable to influencing legislation. (Reference section 008.03 Rule 6)

Lobbyist reimbursement is reported on page 2, line 2 of Form B.

REPORTING EXPENDITURES BY LOBBYIST

A lobbyist must disclose expenditures made directly or indirectly for the purpose of carrying on lobbying activities. Expenditures must be reported by category. The reporting categories are as follows:

- A. Miscellaneous Expenses (Reference-section 008.06A of Rule 6) - lobbying expenditures which do not fit into any other expense reporting category. Report on page 2, line 4 of Form B.
- B. Entertainment Expenses (Reference-section 008.06B of Rule 6) - Report the total expenses under this category on line 5d. Separately report that part of the total given to members of the Legislature on line 5a and that part of the total given to elected members of the executive branch on line 5b. Entertainment expenses other than those reportable on lines 5a and 5b should be reported on line 5c.
 1. Entertainment expenses include expenses for food and drink.
 2. For the purpose of reporting entertainment expenses of members of the Legislature and entertainment expenses of elected officials in the executive branch, the actual amount shall be reported.
 3. When the nature of the event makes it impractical to determine the actual amount, the reportable expense is limited to the average cost per person multiplied by the number of members of the Legislature in attendance or, in the case of elected officials in the executive branch, the average cost per person multiplied by the number of officials in the executive branch in attendance.
- C. Lodging Expenses (Reference-section 008.06C of Rule 6) - This category includes expenses paid by the lobbyist to lodge someone else when connected to lobbying activities. Lodging expenses should be reported on page 2, line 6 of Form B.
- D. Travel Expenses (Reference section 008.06D of Rule 6). Reportable travel expenses should be reported on page 2, line 7 of Form B.

1. This category includes expenses paid by the lobbyist for someone else's travel when connected to lobbying activities.
 2. If a public official accompanies the lobbyist, the travel expense of the public official and the lobbyist must be reported.
- E. Lobbyist Compensation Expenses (Reference section 008.06E of Rule 6)-Compensation paid by the lobbyist to another lobbyist.
- F. Lobbyist Reimbursement Expenses (Reference section 008.06F of Rule 6) - Reimbursement paid by the lobbyist to another lobbyist.
- G. Extraordinary Office Expenses (Reference-section 008.06H of Rule 6) - Reportable office expenses should be reported on page 2, line 8 of Form B. Only extraordinary office expenses must be reported. Extraordinary office expenses include:
1. An office expense by a lobbyist directly related to lobbying activity which is other than the normal overhead and operating expense of the lobbyist; and
 2. An office expense directly related to lobbying activity for which the lobbyist is reimbursed by the principal.
- H. Gifts (Reference- §49-1483) - Report total expenses under this category on page 2, line 11d of Form B. Separately report that part of the total given to members of the Legislature on line 11a and that part of the total given to elected members of the executive branch on line 11b. Do not report Gifts of Admissions under this category. See the section GIFTS later in this guide for a more detailed description of this category.
- I. Gifts of Admissions (Reference-section 008.06G of Rule 6)
 *Report total expenses under this category on page 2, line 12d of Form B. Separately report that part of the total

given to members of the Legislature on line 12a and that part of the total given to elected members of the executive branch on line 12b. See the section GIFTS OF ADMISSIONS later in this guide for a more detailed description of this category.

In addition, the lobbyist's quarterly report must include a detailed description of any money loaned, promised or paid by the lobbyist to an official of the executive or legislative branch of State government or a member of the official's staff. This information should appear on page 1, Item 3 of Form B.

REPORTING RECEIPTS BY PRINCIPAL

Any money received by the principal for lobbying purposes should be shown as part of the total lobbying receipts. Money received for the general purposes of the principal normally do not need to be reported as lobbying receipts.

Example #1: Association's members pay dues of \$500 per year to belong to the Association. The Association has a salaried executive director. The executive director is paid from dues money. Among the many director's duties is to act as the Association's registered lobbyist. The executive director reports a percentage of his salary as lobbyist compensation. The amount reported varies from quarter to quarter depending on the amount of lobbying activity. The dues money paid by the members is received for the general purposes of the Association and should not be reported by the Association as lobbying receipts.

Example #2: A bill is introduced in the Legislature that would have a serious detrimental effect on the Association. The Association's board of directors decides to hire a contract lobbyist to assist the executive director in opposing the bill. It requests that each Association member send an additional \$150. This money will be used to pay the contract lobbyist. This is money received by the principal for lobbying purposes and not for general business purposes. It should be reported as a lobbying receipt.

Disclosure is required of the name and address of anyone providing lobbying receipts of more than \$100. This information should appear on page 1, Item 3 of Form C.

REPORTING EXPENDITURES BY PRINCIPAL

A principal must report all lobbying expenditures on Form C. Expenditures must be reported by category. The reporting categories are as follows:

- A. Miscellaneous Expenses (Reference 009.06A of Rule 6)- lobbying expenditures which do not fit into any other expense reporting category. Report on page 2, line 2 of Form C.
- B. Entertainment Expenses (Reference 009.06B of Rule 6) - Report the total expenses under this category on page 2, line 3d of Form C. Separately report that part of the total given to members of the Legislature on page 2, line 3a and that part of the total given to elected members of the executive branch on page 2, line 3b.
 - 1. Entertainment expenses include expenses for food and drink.
 - 2. For the purpose of reporting entertainment expenses of members of the Legislature and entertainment expenses of elected officials in the executive branch, the actual amount shall be reported.
 - 3. When the nature of the event makes it impractical to determine the actual amount, the reportable expense is limited to the average cost per person multiplied by the number of members of the Legislature in attendance or, in the case of elected officials in the executive branch, the average cost per person multiplied by the number of officials in the executive branch in attendance.
- C. Lodging Expenses (Reference 009.06C of Rule 6)-This category includes expenses paid by the principal to lodge

someone else when connected to lobbying activities. Lodging expenses should be reported on page 2, line 4 of Form C.

- D. Travel Expenses (Reference 009.06D of Rule 6)- Reportable travel expenses should be reported on page 2, line 5 of Form C.
 - 1. This category includes expenses paid by the principal for someone else's travel when connected to lobbying activities.
 - 2. If a public official accompanies the principal, the travel expense of the public official and the lobbyist must be reported.
- E. Lobbyist Compensation Expense (Reference section 009.06E of Rule 6) - Amounts paid by principal to lobbyist as compensation for lobbying activity. This amount should be reported on page 2, line 7 of Form C.
- F. Lobbyist Reimbursement Expense (Reference section 009.06F of Rule 6)-Amounts paid to lobbyist by principal to reimburse lobbying expenses made by lobbyist. This amount should be reported on page 2, line 8 of Form C.
- G. Extraordinary Office Expenses (Reference 009.06H of Rule 6) - Only extraordinary office expenses must be reported. An office expense by a principal directly related to lobbying activity which is other than the normal overhead and operating expense of the principal is an extraordinary office expense. This amount should be reported on page 2, line 6 of Form C.
- H. Gifts (Reference §49-1483 Nebraska Statutes and section 009.08 Rule 6) - Report total expenses under this category on page 2, line 9d of Form C. Separately report that part of the total given to members of the Legislature on page 2, line 9a and that part of the total given to elected members of the executive branch on page 2, line 9b. Do not report gifts of admissions under this category. See the section

GIFTS later in this guide for a more detailed description of this category.

- I. Gifts of Admissions (Reference 009.06G of Rule 6) Report total expenses under this category on page 2, line 10d of Form C. Separately report that part of the total given to members of the Legislature on page 2, line 10a and that part of the total given to elected members of the executive branch on page 2, line 10b. See section GIFTS OF ADMISSIONS later in this guide for a more detailed description of this category.

In addition, the principal's quarterly report must include a detailed description of any money loaned, promised or paid by the principal to an official of the executive or legislative branch of State government or a member of the official's staff. This information should appear on page 1, Item 3 of Form C.

EXEMPTION FROM QUARTERLY REPORTS

A lobbyist who does not expect to receive compensation or reimbursement and who does not expect to make expenditures may seek exemption from the filing of quarterly lobbyist reports by filing a Statement of Exemption (NADC Form E). A lobbyist may file an exemption as to one principal even if the lobbyist expects receipts and expenditures in connection with another principal. (Reference §49-1483.02 Nebraska Statutes and section 010.01 Rule 6)

A principal who does not expect to have lobbying receipts or make lobbying expenditures may seek an exemption from the filing of quarterly reports by filing a Statement of Exemption. (Reference section 010.02 Rule 6)

A lobbyist with a Statement of Exemption on file must still file a Statement of Activity (Form D).

A lobbyist's Statement of Exemption is automatically renewed as long as the registration is renewed. If the lobbyist's registration expires or otherwise terminates, a new exemption statement is required. (Reference section 010.01A Rule 6)

If a lobbyist or principal with a Statement of Exemption on file makes lobbying expenditures or has lobbying receipts, the exemption is void and quarterly reports must be filed starting with the quarter in which the lobbyist or principal first had receipts or expenditures. (Reference section 010.1B and 010.02 Rule 6)

STATEMENTS OF ACTIVITY

All lobbyists must file a Statement of Activity (NADC Form D) with the Clerk of the Legislature within 45 days after the end of a regular session of the Legislature. (Reference §49-1488 Nebraska Statutes)

Two copies of the Statement of Activity should be filed.

1. The Statement of Activity identifies the legislation upon which the lobbyist acted including identification by number of any bill or resolution and the position taken by the lobbyist.
2. A lobbyist must file a separate Statement of Activity for each principal.

A lobbyist who is active during a special session of the Legislature must file a Statement of Activity within 45 days after the end of the special session. A lobbyist who is not active during a special session does not need to file a Statement of Activity after the special session.

Every lobbyist must file a Statement of Activity after a regular session of the Legislature. An exemption from the filing of quarterly reports does not exempt the lobbyist from the filing of a Statement of Activity.

SPECIAL REPORTS

A Lobbyist or principal who receives or expends more than \$5,000 for lobbying purposes during any calendar month in which the Legislature is in session must file a special report within 15 days after the end of the calendar month in which the \$5,000 level is exceeded. Lobbyists should use Lobbyist Special Report (Form B-B). Principals should use Principal Special Report (Form C-C). (Reference §49-1483.03 Nebraska Statutes)

The special report need not be filed if exceeding the \$5,000 level was the result of the payment or receipt of lobbying fees for lobbying services which were disclosed on the application for registration.

Example #1- A lobbyist discloses on his registration that he will receive \$100 per hour from the principal for lobbying activity. During January the lobbyist engages in 75 hours of lobbying activity for the principal. The lobbyist is paid \$7,500. This activity **does not require** the filing of a special report because this is the payment of lobbying fees for lobbying services as disclosed on the application for registration.

Example #2- A bill is introduced which will have a significant effect on the principal, an out of state corporation. The principal sends two experts from its head office to Nebraska to testify on the bill and to provide expert information on the subject to the local lobbyist. The cost to the principal is more than \$5,000 within the calendar month. This activity **does require** the filing of a special report.

Information reported on a special report shall be reported on the next quarterly report.

TERMINATION OF REGISTRATION

All lobbyist registrations terminate on December 31st unless renewed on or before that date. Once a registration is terminated, it may be renewed only by the filing of a new application for registration as a lobbyist. (Reference §49-1486 Nebraska Statutes)

A registration may be terminated before December 31st if the principal and lobbyist cease to receive and expend lobbying funds and the lobbyist ceases to engage in lobbying activities. (Reference section 012.01 Rule 6)

Early termination requires:

1. The filing of a Statement of Termination.

2. A final quarterly report by lobbyist (and by principal if principal has no other lobbyists who will continue lobbying).
3. If not already on file, a Statement of Activity must be filed.

Note: When a principal has other lobbyists, the requirement that it cease to receive and expend lobbying funds does not apply. Such principal is not required to file a final report, but must continue to file quarterly reports as to its other lobbyists.

A gift of admissions to an elected or appointed official of a political subdivision or school board is not covered by this section.

Failure to timely file a lobbyist special report results in a late filing fee of \$100 for each of the first 10 days that the report remains not filed. After the 10th day the lobbyist shall pay, for each day the report remains not filed, an additional late filing fee of one percent of the amount of receipts and expenditures required to be reported, not to exceed 10%.

(2) A lobbyist required to pay a late filing fee pursuant to subsection (1) of this section may apply to the commission for relief. .03A1 Executive Branch Lobbying. The practice of promoting or opposing executive approval of legislation or resolutions includes communication with officials of the executive branch of state government as defined in Section 49-1436, *Neb. Rev. Stat.*, to take or refrain from taking any action or position in support of or in opposition to

.03B An officer or member of a principal is not a compensated lobbyist if the officer or member receives no compensation from the principal for any of the activities or duties performed for the principal.

.04 A person does not have to be registered as a lobbyist if his or her only lobbying activities consist of his or her being (1) a public official or employee of a branch of state government (except the University of Nebraska) or an elected official of a political subdivision who is acting in the course or scope of his or her office or employment; (2) a publisher, owner or working member of the press, radio, or television while disseminating news or editorial comment to the general public in the ordinary course of business; (3) an employee of a principal or lobbyist whose duties are strictly of a clerical nature; (4) a person who

makes appearances before legislative committees and advises the committee at the time of his or her appearance whom he or she represents; (5) a person who writes letters or furnishes written materials to individual members of the Legislature or to the committees thereof; (6) an individual who does not engage in lobbying for another person; or (7) an employee of a political subdivision whose regular employment duties do not ordinarily include lobbying activities as long as such employee is not additionally compensated for such lobbying activities, other than his or her regular salary, and is not reimbursed for any lobbying expenditures except his or her travel, lodging, and meal expenses and the meal expenses of members of the Legislature. Reference: Section 49-1434(3).

.04A The provisions of section 003.04(7) of this rule do not exempt from registration those employees of political subdivisions who engage in lobbying activities more than on an occasional basis or those who have been assigned by the political subdivision to engage in lobbying activities even if these lobbying activities are not normally a part of the duties of the employee.

.04B An employee or member of a principal whose regular duties of employment, office or membership do not ordinarily include engaging in lobbying activities and a person who responds to a solicitation to communicate with a public official in the legislative or executive branches of state government, may communicate therewith to influence legislative action and not be registered as a lobbyist if such individual (a) is not compensated for doing so in any way in addition to his or her regular salary or for otherwise engaging in lobbying activities; and (b) is not reimbursed for any lobbying expenditure, except his or her own travel, lodging and meals.

004 APPLICATION FOR REGISTRATION AS A LOBBYIST.

.01 The requirement of Section 49-1480(3), *Neb. Rev. Stat.*, and the lobbying registration form that the lobbyist disclose the "amounts or sums given or to be given the lobbyist as

compensation or reimbursement for lobbying" refers to any amounts paid by the principal to the lobbyist prior to such registration and not otherwise reportable in a quarterly report, except amounts excludable pursuant to Sections 002.06A and 002.09 of this rule, and a description or synopsis of the terms and conditions of his or her understanding or agreement with the principal for his or her lobbying compensation and reimbursement, including any known dollar amounts thereof. Cross Reference: sections 005.01A and 010 of this rule.

.02 The requirement of Section 49-1480(8), *Neb. Rev. Stat.*, that the lobbyist registration form set forth the name and address of any official in the legislative or executive branch and of any members of any such official's staff or immediate family who is employed by the lobbyist or any person acting on behalf of such lobbyist, includes individuals employed in clerical and non-policy making capacities and individuals employed by the Executive Board of the Legislative Council.

.03 The requirement of Section 49-1480(2), *Neb. Rev. Stat.*, that the lobbyist on his or her registration form set forth the name and address of the principal requires the lobbyist to set forth the usual street address of the principal and not the address of the lobbyist.

005 AMENDMENTS TO APPLICATION FOR REGISTRATION.

.01 Amending an application for registration as a lobbyist. The quarterly reports of the lobbyist, but not the principal, shall set forth changes or corrections to the information contained in the lobbyist's application for registration as a lobbyist so as to reflect the correctness of such information as of the end of the calendar quarter or other period for which such statement is required. Reference: Section 49-1483(4), *Neb. Rev. Stat.*

.01A This provision as it relates to the requirement of the lobbying registration form that the lobbyist disclose the "amounts or sums given or to be given the lobbyist as compensation or reimbursement for lobbying" refers only to any changes in the terms and conditions of his or her agreement or contract for lobbying. It does not require

the lobbyist to show an accumulation of such amounts or sums given per calendar quarter.

.01B This provision as it relates to names and addresses requires that the lobbyist notify the Clerk of the Legislature in writing of any change in his or her address, the address of his or her principal, and of any change in the name of the official to whom the lobbyist is accountable and of any change in the names and addresses of the officers of the principal.

006 RENEWALS OF APPLICATIONS FOR REGISTRATION. The requirement of Section 49-1480.01 that a lobbyist renew his or her registration by paying the appropriate fee to the Clerk of the Legislature before December 31st of each calendar year does not require the lobbyist to complete and file a new Application For Registration as a Lobbyist if such application has been amended as required on the lobbyist's quarterly reports. Reference: section 005. A lobbyist renewing his or her registration shall provide the Clerk of the Legislature with the name of the principal for which the registration is being renewed and such other information as the Clerk of the Legislature may require.

007 FILING OF QUARTERLY REPORTS (FORMS B AND C). Every registered lobbyist for each of his or her principals and every principal having a registered lobbyist shall file a separate statement of lobbying receipts and expenditures for each calendar quarter. Such statements shall be filed with the Clerk of the Legislature within 30 days after the end of each calendar quarter. Reference: Section 49-1483, *Neb. Rev. Stat.*

.01 A principal shall file only one quarterly report regardless of the number of lobbyists it has.

.02 A lobbyist or principal may file an exemption to quarterly reports as provided in section 010 of this rule.

008 CONTENTS OF NEBRASKA REGISTERED LOBBYIST QUARTERLY REPORT (FORM B). Each report shall show the total amount received or expended directly or indirectly for the purpose of carrying on lobbying activities, with the following categories of expenses each being separately itemized: (a) Miscellaneous expenses, (b)

entertainment, including expenses for food and drink, (c) lodging expenses, (d) travel expenses, (e) lobbyist compensation, (f) lobbyist expense reimbursement, (g) admissions to a state-owned facility or a state-sponsored industry or event, and (h) extraordinary office expenses directly related to the practice of lobbying. Each report shall also include a detailed statement of any money which is loaned, promised, or paid by a lobbyist or anyone acting on his or her behalf to an official or staff of an official in the executive or legislative branch of State Government. The detailed statement shall identify the recipient and the amount and terms of the loan, promise, or payment. Additionally, each report shall disclose the total amount of money expended for gifts other than admissions to a state-owned facility or a state-sponsored industry or event. Section 49-1483(2), *Neb. Rev. Stat.* (Reference: 002.10)

.01 Receipts need be reported only in total and not itemized.

.02 Lobbyist compensation as a receipt by the lobbyist. Except for lobbyist reimbursement as described in section 008.03 of this rule, the lobbyist must report all payments received from the principal and from others on behalf of the principal in a given calendar quarter, except amounts excludable pursuant to sections 002.09 and 002.06A of this rule. When a lobbyist is an employee of the principal, part of the lobbyist's compensation must be reported as lobbyist compensation if the lobbyist engaged in any lobbying activity during the reporting period. When an employer of a lobbyist is engaged by the principal of the lobbyist to provide consulting or management services which include lobbying activity, part of the lobbyist compensation or wages must be reported as lobbyist compensation if the lobbyist engages in any lobbying activity during the reporting period even if the lobbyist is not directly compensated by the principal.

.02A Compensated time reasonably attributable to influencing legislative action must be reported. Section 49-1483 of the Nebraska Political Accountability and Disclosure Act provides that lobbyists shall report the total amount received or expended directly or indirectly for the purpose of carrying on lobbying activities and specifically lobbyist fees for lobbyist services. When a principal retains the services of a person who has only part-time lobbying duties, only the compensation paid

which is reasonably attributable to influencing legislative action need be reported.

The test to determine whether a given activity constitutes influencing legislative action is one of fact, i.e., the principal purpose of the activity. If the purpose of the activity is to promote, support, influence, modify, oppose or delay any legislative action, then the activity is within the definition. A lobbyist normally is not employed merely to communicate with officials in the legislative or executive branches of state government but is also expected to perform a number of other activities which assist both the lobbyist and the principal in promoting or defeating legislative action. To the extent payments received by a lobbyist are only partially in consideration for his or her duties and services for influencing legislative action, the lobbyist may apportion the payments based on the percentage of the lobbyist's compensated time which is reasonably attributable to influencing legislative action and report the apportioned dollar amount.

.02A1 If an individual is otherwise required to be registered as a lobbyist, the lobbyist must include time attributable to appearances before legislative committees and writing letters or furnishing written materials to individual members of the Legislature or the committees thereof.

.03 Receipts for lobbyist reimbursement. The lobbyist must report all amounts received during the calendar quarters for reimbursement of expenses from a principal or from a third person, regardless of the calendar quarter in which the expenditure for which reimbursement is made actually occurred.

.04 Total and individually categorized items of expenditures should reflect expenditures incurred, although not necessarily paid by the lobbyist during the calendar quarter. Reference: Section 49-1419(4), *Neb. Rev. Stat.* Provided, however, so long as there is no arrangement for or willful late billing by a vendor,

the same may be reported in the calendar quarter of the receipt of a bill or invoice therefor.

.05 A lobbyist must report and itemize all expenditures which are made to influence legislative action, including but not limited to, payments to vendors for goods and services, transactions with or for the benefit of a public official, a member of his or her immediate family or a member of his or her staff, including money loaned, promised or paid to an official or staff of an official in the legislative or executive branches of state government or anyone on his or her behalf, including a business with which the official or staff is associated, the forgiveness of a loan, a preferential interest rate and forbearance on the collection of an obligation. The expenditures by the lobbyist referred to above shall not be deemed to have been made to influence legislative action if they are done in the normal course of business, are clearly reasonable and there was an exchange of equal consideration between the parties.

.06 Expenditures must be itemized pursuant to the categories set forth in this Section.

.06A Miscellaneous expenses. Miscellaneous expenses means any expenditure by a lobbyist or anyone acting on behalf of such lobbyist, including an expenditure which is made for the benefit of a public official in the executive or legislative branch of state government or the official's staff or relatives which does not otherwise fall within the categories of entertainment expense, lodging expense, travel expense, lobbyist compensation, lobbyist expense reimbursement, admissions to a state-owned facility or a state-sponsored industry or event, or extraordinary office expenses. Miscellaneous expenses include expenditures of money loaned, promised or paid to any official, or staff of an official in the executive or legislative branch of state government, including a business with which the official or staff member is associated if the payment is made to influence legislative action.

.06A1 Campaign contributions need not be reported by a lobbyist as lobbying expenditures,

unless the principal reimburses the lobbyist therefor. In such case, the lobbyist shall report the campaign contribution as a miscellaneous expense. In addition, the lobbyist shall report the reimbursement as a receipt.

.06B Entertainment, including expenses for food and drink. The total expenditure of the lobbyist must be reported if made while engaged in a lobbying activity, direct or indirect, or otherwise to influence legislative action and not just the amount expended for food and drink for a public official, a member of his or her immediate family or a public employee. Expenses reported under this category shall disclose the aggregate expenses for each of the following two categories of elected officials: (1) Members of the Legislature, and (2) officials of the executive branch of government. Cross Reference: section 013.02A

.06B1 For the purpose of reporting aggregate expenses for entertainment for members of the Legislature, the amount reported shall be the actual amount attributable to entertaining members of the Legislature. (Reference: §49-1483(3)(b))

.06B2 When the nature of the event makes it impractical to determine actual cost, the cost of entertainment shall be the average cost per person multiplied by the number of members of the Legislature in attendance. (Reference: §49-1483(3)(b))

.06B3. For the purpose of reporting aggregate expenses for entertainment for officials in the executive branch, the amount reported shall be the actual amount attributable to entertaining members of the executive branch. (Reference: §49-1483(3)(b))

.06B4 When the nature of the event makes it impractical to determine actual cost, the cost of entertainment shall be the average cost per person multiplied by the number of officials in the executive branch in attendance. (Reference: §49-1483(3)(b))

.06B5 In all cases where a lobbyist claims reimbursement from his or her principal, the total amount of such entertainment expense must be reported where any part of the same was for food and drink for a public official, a member of his or her immediate family or a member of his or her staff. In addition, the reimbursement received from the principal must be included in total receipts.

.06C Lodging expenses. Payments made by a lobbyist solely for the lodging of the lobbyist or the specific reimbursement therefor by the principal need not be reported. If lodging expenses are incurred for the purpose of carrying on other lobbying activities, such as providing lodging to, or paying the lodging expenses of others to influence legislative action, then the total expenditure by the lobbyist shall be reported including the lodging expense of the lobbyist. Cross Reference: section 013.02B

.06D Travel expenses. Payments made by a lobbyist solely for the transportation of the lobbyist or the specific reimbursement therefor by the principal need not be reported. If travel expenses are incurred for the purpose of carrying on other lobbying activities, such as providing travel to, or paying the travel expenses of others to influence legislative action, then the total expenditure by the lobbyist shall be reported including the travel expense of the lobbyist. Cross Reference: section 013.02C

.06D1 If a public official accompanies such lobbyist, the total cost or value of the trip, and not

just the value of the benefit to the public official, must be reported. If such trip is by private airplane the amount reported shall be the fair value of the cost to operate such airplane for that trip. If such trip is by automobile, the amount to be reported shall not be less than the highest reimbursement rate per mile allowed pursuant to Section 81-1176, *Neb. Rev. Stat*, as the same may be amended from time to time. If such trip is by commercial transportation, the amount to be reported shall be the actual fares paid by the lobbyist, including the fare of the lobbyist and all other persons on such trip.

.06E Lobbyist compensation as an expenditure by the lobbyist. All amounts paid by a lobbyist to others, as salary or other compensation, pursuant to section 002.09 of this rule, whether or not the recipient is, or is required to be, a registered lobbyist for the same principal as the paying lobbyist, shall be reported by the paying lobbyist as an expenditure for lobbyist compensation. Amounts paid as general overhead for typing, filing or other types of clerical office work do not have to be reported as compensation, unless the persons receiving the same are compensated additionally or separate and apart from their regular salaries for engaging in other lobbying activities.

.06F Lobbyist expense reimbursement as an expenditure by a lobbyist. Any amounts expended by a lobbyist to reimburse others for activity reasonably attributable to the influencing of legislation shall be reported.

.06G Admissions to a state-owned facility or to a state-sponsored industry or event shall disclose the aggregate amounts given to each of the following two categories of elected officials: (1) Members of the Legislature, and (2) officials in the executive branch of government.

.06H Extraordinary office expenses. extraordinary office expenses must be reported. An office expense by a lobbyist directly related to lobbying activity which is other than the normal overhead and operating expense of the lobbyist is an extraordinary office expense. An office expense directly related to lobbying activity for which the lobbyist is reimbursed by the principal is an extraordinary office expense and shall be reported. (Reference: 002.016)

.07 Money loaned, promised or paid by a lobbyist or anyone acting on his or her behalf. In addition to the provisions of sections 002.07 and 008.06A of this rule for reporting the amount of money loaned, promised or paid as a miscellaneous expense, the quarterly report of a lobbyist must contain a detailed statement of any money loaned, promised or paid by the lobbyist, or anyone acting on his or her behalf, to an official or staff of an official in the executive or legislative branches of state government. The detailed statement should include money loaned, promised or paid to a third party for the benefit of an official or staff of an official in the executive or legislative branch of state government, including a business with which the official or staff member is associated.

.07A The detailed statement shall identify the recipient and the amount and terms of the loan, promise, or payment. The terms shall include the date of the loan, promise, or payment and the reason for such payment. If the loan, promise or payment is made to a third party for the benefit of an official in the executive or legislative branch of state government or a member of the official's staff, the detailed statement shall also identify the beneficiary.

.08 Gifts. The total amount expended for gifts, other than admissions to a state owned facility or a state-sponsored industry or event, shall disclose the aggregate amounts given to each of the following categories of elected officials: (1) Members of the Legislature, and (2) officials in the executive branch of government.

009 **CONTENTS OF NEBRASKA PRINCIPAL QUARTERLY REPORT (FORM C).** Each report shall show the total amount received or expended directly or indirectly for the purpose of carrying on lobbying activities, with the following categories of expenses each being separately itemized: (a) Miscellaneous expenses, (b) entertainment, including expenses for food and drink, (c) lodging expenses, (d) travel expenses, (e) lobbyist compensation, (f) lobbyist expense reimbursement, (g) admissions to a state-owned facility or a state-sponsored industry or event, and (h) extraordinary office expenses directly related to the practice of lobbying. Each report shall also include a detailed statement of any money which is loaned, promised, or paid by a principal or anyone acting on behalf of such principal to an official or staff of an official in the executive or legislative branches of state government. The detailed statement shall identify the recipient and the amount and terms of the loan, promise, or payment. Additionally, each report shall disclose the total amount of money expended for gifts other than admissions to a state-owned facility or a state-sponsored industry or event. (Reference: Section 49-1483, *Neb. Rev. Stat.*, and sections 002.10 and 002.10A)

.01 Receipts must be reported in total and need not be itemized.

.02 Receipts by a principal of over \$100. The quarterly reports of a principal shall contain the name and address of every person from whom the principal has received more than \$100 in any one month for lobbying purposes. Reference: Section §49-1483(7), *Neb. Rev. Stat.*

.02A Such names and addresses must be reported with respect to receipts designated or received as a result of a solicitation, for lobbying purposes.

.02B The quarterly reports of a principal shall identify the month of receipt of all amounts in excess of \$100.

.03 Receipts for lobbyist reimbursement. The principal must report all amounts received from any third person during the calendar quarter which are used to reimburse a lobbyist for expenses, regardless of the calendar quarter in which the expense for which reimbursement is received actually occurred.

.04 A principal's receipt of lobbyist compensation. The principal shall report all funds received in the calendar quarter which are designated, treated or have been solicited for lobbying purposes, including lobbyist compensation, as a part of its total receipts.

.05 A principal must report and itemize, not only its expenditures to compensate and reimburse its lobbyist, but such principal must report all expenditures it makes to influence legislative action, including but not limited to, payments to vendors for goods and services, transactions with or for the benefit of a public official, a member of his or her immediate family or a member of his or her staff, including money loaned, promised or paid to an official or staff of an official in the legislative or executive branches of state government, including a business with which the official or staff is associated, the forgiveness of a loan, a preferential interest rate and forbearance on the collection of an obligation. The expenditures by the principal referred to above shall not be deemed to have been made to influence legislative action if they are done in the normal course of business, are clearly reasonable and there was an exchange of equal consideration between the parties.

.06 Expenditures must be itemized pursuant to the categories set forth in this section.

.06A Miscellaneous expenses. Miscellaneous expenses means any expenditure by a principal or anyone acting on behalf of such principal, including an expenditure which is made for the benefit of a public official in the executive or legislative branch of state government or the official's staff or immediate family members, which does not otherwise fall within the categories of entertainment expense, lodging expense, travel expense, lobbyist compensation, lobbyist expense reimbursement, admissions to a state-owned facility or to a state-regulated industry or event, or extraordinary office expenses. Miscellaneous expenses include expenditures of money loaned, promised or paid to any official, or staff of an official in the executive or legislative branch of state government including a business with

which the official or staff member is associated if the payment is made to influence legislative action.

.06A1 Campaign contributions need not be reported by a principal as lobbying expenditures, unless the principal reimburses the lobbyist therefor, in which case the principal shall report such reimbursement as a miscellaneous expense.

.06B Entertainment, including expenses for food and drink. The total expenditure of the principal must be reported if the expense is incurred while engaged in a lobbying activity, direct or indirect, or otherwise to influence legislative action and not just the amount expended for food and drink for a public official, a member of his or her immediate family or a public employee. Expenses reported under this category shall disclose the aggregate expenses for each of the following two categories of elected officials: (1) Members of the Legislature, and (2) officials of the executive branch of government. Cross Reference: section 013.02A

.06B1 For the purpose of reporting aggregate expenses for entertainment for members of the Legislature, the amount reported shall be the actual amount attributable to entertaining members of the Legislature. (Reference: §49-1483(3)(b))

.06B2 When the nature of the event makes it impractical to determine actual cost, the cost of entertainment shall be the average cost per person multiplied by the number of members of the Legislature in attendance. (Reference: §49-1483(3)(b))

.06B5 In all cases where a lobbyist claims reimbursement from his or her principal, the total amount of such reimbursement must be reported as an entertainment expense by the principal where any part of the same was for food and drink for a public official, a member of his or her immediate family or a member of his or her staff.

.06C Lodging expenses. Payments made by a principal solely for the lodging of its lobbyist or the specific reimbursement therefor need not be reported. If lodging expenses are incurred for the purpose of carrying on other lobbying activities, such as providing lodging to, or paying the lodging expenses of, others to influence legislative action, then the total expenditure by the principal shall be reported including the lodging expense of the lobbyist. Cross Reference: section 013.02B

.06D Travel expenses. Payments made by a principal solely for the transportation of its lobbyist or the specific reimbursement therefor need not be reported. Cross Reference: section 013.02C

.06D1 If a public official accompanies a lobbyist, the total cost or value of the trip, and not just the

.06E Lobbyist compensation as an expenditure by a principal. All amounts paid by a principal to a lobbyist or others, as salary or other compensation, pursuant to Section 002.09 of this rule, whether or not the recipient is, or is required to be, a registered lobbyist for such principal, shall be reported by the principal as an expenditure for lobbyist compensation. Amounts paid as general overhead for typing, filing or other types of clerical office work do not have to be reported as lobbyist compensation unless the person receiving the same is compensated additionally or separate and apart from his or her regular salary for engaging in other lobbying activities.

.06E1 When a lobbyist is an employee of the principal, part of the lobbyist's compensation must be reported as an expenditure for lobbyist compensation if the employee engaged in any lobbying activity during the reporting period.

.06E2 When a principal engages a lobbyist or the employer of a lobbyist for management or consulting services which include lobbying activity, part of amount paid for such services must be reported as lobbyist compensation if the lobbyist engages in any lobbying activity during the reporting period.

.06E3 Compensated time reasonably attributable to influencing legislative action must be reported. Section 49-1483 of the Nebraska Political Accountability and Disclosure Act provides that principals shall report the total amount received or expended directly or indirectly for the purpose of carrying on lobbying activities and specifically lobbyist compensation. When a principal retains the services of a person who has only part-time lobbying duties, only the compensation paid which is reasonably attributable to influencing legislative action need be reported. The test to determine whether a given activity constitutes influencing legislative action is one of fact, i.e., the principal purpose of the activity. If the purpose of the activity is to promote, support, influence, modify, oppose or delay any legislative action, then the activity is within the definition. A lobbyist normally is not employed merely to communicate with officials in the legislative or executive branches of state government but is also expected to perform a number of other activities which assist both the lobbyist and the principal in promoting or defeating legislative action. To the extent payments made to a lobbyist are only partially in consideration for his or her duties and services for influencing legislative action, the principal may apportion the payments based on the percentage of the lobbyist's compensated time which is reasonably attributable to influencing legislative action and report the apportioned dollar amount.

.06F Lobbyist expense reimbursement as an expenditure by a principal. Any amounts expended by a principal to reimburse a lobbyist for activity reasonably attributable to the influencing of legislation shall be reported.

.06G Admissions to a state-owned facility or to a state-sponsored industry or event shall disclose the aggregate

amounts given to each of the following two categories of elected officials: (1) Members of the Legislature, and (2) officials in the executive branch of government.

.06H Extraordinary office expenses. Only extraordinary office expenses must be reported. An office expense by a principal directly related to lobbying activity which is other than the normal overhead and operating expense of the principal is an extraordinary office expense.

.07 Money loaned, promised or paid by a principal or anyone acting on behalf of such principal. In addition to the provisions of Sections 002.07 and 009.06A of this rule for reporting the amount of money loaned, promised or paid as a miscellaneous expense, the quarterly report of a principal must contain a detailed statement of any money loaned, promised or paid by the principal, or anyone on its behalf, to an official or staff of an official in the executive or legislative branches of state government. The detailed statement should include money loaned, promised or paid to a third party for the benefit of an official or staff in the executive or legislative branches of state government, including a business with which the official or staff member is associated. .08 Gifts. The total amount expended for gifts, other than admissions to a state owned facility or a state-sponsored industry or event, shall disclose the aggregate amounts given to each of the following categories of elected

officials: (1) Members of the Legislature, and (2) officials in the executive branch of government.

.09 Any lobbyist or principal who receives or expends more than \$5,000 for lobbying purposes during any calendar month in which the Legislature is in session shall, within fifteen (15) days after the end of such calendar month, file a special report disclosing for that calendar month all the information required in a quarterly report. All information disclosed in a special report shall also be disclosed in the next quarterly report required to be filed. The requirement to file a special report shall not apply to a receipt or expenditure for lobbying fees for lobbying services which have otherwise been disclosed in the lobbyist's application for registration.

.09A If an application for registration as a lobbyist discloses that lobbying fees for lobbying services will exceed \$5,000 per month, no special report is required because of the expenditure or receipt of these lobbying fees for lobbying services.

.09B If an application for registration as a lobbyist discloses that lobbying fees for lobbying services will be paid at a stated hourly rate, and if the number of hours worked by the lobbyist in a month results in lobbying fees for lobbying services in excess of \$5,000, no special report is required because of the payment or receipt of these lobbying fees for lobbying services.

010 EXEMPTIONS TO QUARTERLY REPORTS.

.01 If a lobbyist does not expect to receive lobbying receipts from or make lobbying expenditures for a principal, other than the lobbyist's registration fee, the quarterly reports as to such principal need not be filed by the lobbyist if the principal and lobbyist both certify such facts in writing to the Clerk of the

Legislature. A lobbyist exempt from filing a quarterly statement shall:

.01A File a Statement of Activity pursuant to §49-1488, *Neb. Rev. Stat.*, and section 011 of this rule; and

.01B Resume or commence filing quarterly statements with regard to such principal starting with the calendar quarter during which the lobbyist receives lobbying receipts or makes lobbying expenditures for such principal and file all reports due thereafter. The lobbyist must show in his or her report for that quarterly period a change or correction to his or her application for registration as a lobbyist to reflect the terms and conditions of compensation or reimbursement, if any, given or to be given to him or her.

.02 If a principal does not expect to receive lobbying receipts or make lobbying expenditures, the quarterly reports required pursuant to §49-1483 need not be filed by the principal if the principal and lobbyist both certify such facts in writing to the Clerk of the Legislature. A principal exempt from filing a quarterly statement pursuant to this Section, shall commence or resume filing a quarterly statement starting with the calendar quarter during which the principal receives lobbying receipts or makes lobbying expenditures.

011 REPORT BY LOBBYIST OF ACTIVITIES DURING A LEGISLATIVE SESSION. Within 45 days of the completion of each regular or special session of the Legislature, each registered lobbyist shall submit to the Clerk of the Legislature a statement for each of his or her principals listing the legislation upon which such lobbyist acted, including identification by number of any bill or resolution and the position taken by such lobbyist. Reference: Section 49-1488, *Neb. Rev. Stat.*

.01 Every registered lobbyist must file an activity report regardless of whether he or she is required to file quarterly receipts and expenditures reports.

.02 Such statement need not include bills or resolutions merely monitored by the lobbyist but must include all bills or resolutions for which the lobbyist was authorized to lobby by his principal and for which he engaged in any other lobbying activity or made any expenditure to influence legislative action.

.03 In the event that a lobbyist supports or opposes an amendment or a procedural matter pertaining to a bill or resolution upon which the lobbyist has not otherwise acted, the lobbyist shall show on his or her statement of activity his or her support or opposition to the bill or resolution to which the amendment or procedural matter pertains.

In the alternative the lobbyist shall show on his or her statement of activity the number of the amendment or procedural matter, if any, and a brief description which shall include the number of the bill or resolution to which the amendment or procedural matter pertains.

.04 A lobbyist who engages in no lobbying activity in connection with a special session of the Legislature is not required to file a Statement of Activity for that special session. (Reference: sections 002.03 to 002.06)

012 TERMINATION OF REGISTRATION.

.01 The termination of a lobbyist's registration and his or her duty and the duty of his or her principal to file quarterly reports will be permitted after (1) the principal and the lobbyist cease to receive or expend lobbying funds, (2) the lobbyist ceases to engage in lobbying activities; (3) a final report is filed by the lobbyist and his or her principal disclosing all the information required by quarterly reports; (4) a Statement of Activity is filed listing the legislation upon which such lobbyist acted as required by section 011 of this rule; and (5) upon the Clerk of the Legislature receiving a written statement from the lobbyist stating that he or she has ceased lobbying or such a statement from the principal stating that the lobbyist's authority to lobby has been terminated.

.01A In cases where the principal has other registered lobbyists, the requirement that it cease to receive or expend lobbying funds is not applicable. Such principal is not required to file a final report and must continue to file quarterly reports.

.02 After such termination, the lobbyist may not engage in lobbying activities nor receive or expend funds for lobbying purposes without a new registration.

.03 All registrations terminate on December 31 of each calendar year unless renewed as provided in 006 of this rule. Once a lobbyist registration has terminated, it may only be renewed by the filing of a new application for registration as a lobbyist and the payment of a registration fee as provided in Section 003 of this rule.

013 GIFT LIMITATIONS.

Gift shall not include a campaign contribution otherwise reported as required by law, a commercially reasonable loan made in the ordinary course of business, a gift received from a relative, a breakfast, luncheon, dinner, or other

refreshments consisting of food or beverage provided for immediate consumption, or the occasional provision of transportation within the State of Nebraska. Reference: Section 49-1423, *Neb. Rev. Stat.*

.02A Entertainment, including expenses for food and drink. The lobbyist or a representative of the lobbyist or a principal must be present on the immediate premises at the time expenditures are incurred for food and drink for a public official, a member of his or her immediate family, or a member of his or her staff. If such an individual is not present, such furnishing of food and drink shall constitute evidence of a violation of Section 49-1490, if the amount thereof exceeds \$50, along with other gifts in a calendar month. The providing of a breakfast, luncheon, dinner or other refreshments consisting of food and beverage to a public official, a member of his or her immediate family or a member of his or her staff must be for immediate consumption. Such persons may not be given nor may they solicit or accept food or beverages by charging the same to an account of the lobbyist or principal without the lobbyist or principal being present and each expenditure therefor being authorized by the lobbyist or principal at the time it is incurred. The authority of the lobbyist or principal to authorize such expenditures may not be delegated to a vendor.

circumstances and are not otherwise reimbursed may be paid.

.02C Transportation provided to a public official, a member of a public official's immediate family, or staff outside the State of Nebraska of a value of more than \$50 is prohibited unless consideration of equal or greater value is given therefor. Reference: Section 49-1490, *Neb. Rev. Stat.*

.02C1 The attendance at an event out of state does not, in and of itself, constitute consideration of equal or greater value.

.02C2 Only transportation expenses which are reasonable and necessary under the circumstances and are not otherwise reimbursed may be paid.

.02D An honorarium given or money loaned, promised or paid to an official in the executive or legislative branch of state government, or his or her staff, by a principal, lobbyist, or anyone acting on behalf of either for the official's or the staff's participation in, appearance at, or speaking at an event at the request of the principal or lobbyist does not constitute an exchange in the normal course of business for which equal or greater value is given and is required to be reported.

.02E Money loaned, promised or paid shall not include a loan by a principal in the business of making loans which is commercially reasonable and in accordance with regular lending rules and regulations; transactions involving a principal which are performed in the ordinary course of business pursuant to the terms of an insurance contract; a dividend paid by a principal on publicly traded stock; interest paid by a principal on bonds offered to the public; or any transaction involving a principal which is deemed confidential under the laws or regulations of the United States of America or the State of Nebraska.

.02F An admission to a state-owned facility or a state-sponsored industry or event of a value of more than \$50 shall not be given by a principal, lobbyist, or person acting on behalf of either unless consideration of equal or greater value is given therefor. Any sponsoring agency, political subdivision, or publicly-funded postsecondary educational institution may give such admissions regardless of value but must report them pursuant to Section 49-1492.01, *Neb. Rev. Stat.*

.02F1 Any agency, political subdivision, or publicly-funded postsecondary educational institution that is a lobbyist must also report admissions pursuant to section 008.06G of this rule.

.02F2 Any agency, political subdivision, or publicly-funded postsecondary educational institution that is a principal must also report admissions pursuant to section 009.07G of this rule.

014 **RECORD KEEPING.** Each lobbyist and principal shall obtain and preserve all accounts, bills, receipts, books, papers, and documents necessary to substantiate the statements required to be made pursuant to Section 49-1483 for three years after the report containing those items is filed. These records shall be made available for inspection upon request by the commission after reasonable notice. Nothing in this Section shall require that a receipt for any food and drink expenditure be kept if such expenditure is in an amount of less than \$25. Reference: Section 49-1489, *Neb. Rev. Stat.*

.01 A principal is subject to audit pursuant to the provisions of Section 49-14,122, *Neb. Rev. Stat.*, and furnishing additional details pursuant to Section 49-1484, *Neb. Rev. Stat.*, with respect to matters which are or should be included in such statements.

.02 The provisions of Section 49-1489, *Neb. Rev. Stat.*, providing that a receipt for food and drink of less than \$25.00

need not be kept means that such a receipt need not be obtained and kept.

015 **LATE FILING FEES FOR LOBBYIST QUARTERLY REPORTS, LOBBYIST SPECIAL REPORTS AND STATEMENTS OF ACTIVITY.**

.01 Every lobbyist who fails to file a quarterly report or a statement of activity with the Clerk of the Legislature shall pay to the Commission a late filing fee of \$25 for each day any of such statements are not filed in violation of such Sections but not to exceed \$750 per statement. Every lobbyist who fails to file a special report shall pay to the Commission a late filing fee of \$100 for each of the first ten days the report remains not filed. After the tenth day, the lobbyist shall pay, for each day the report remains not filed, an additional late filing fee of one percent of the amount of the receipts and expenditures which were required to be reported, not to exceed ten percent of the amount of the receipts and expenditures which were required to be reported. As to any late filing fee, interest shall accrue on all late filing fees and civil penalties imposed at the rate specified in Section 45-104.02, *Neb. Rev. Stat.*, as such rate may from time to time be adjusted. Reference: Sections 49-1463.02; 49-1483.03(2); and 49-1488.01, *Neb. Rev. Stat.*

.01A The interest shall begin to accrue thirty days after the Commission sends notice to the person of the assessment of the late filing fee or civil penalty.

.01B. A written request filed with the Commission for relief from late filing fees shall stay the accrual of interest on a late filing fee until such time as the Commission grants or denies the relief.

.01C. Interest on an unpaid late filing fee or civil penalty shall be simple interest.

.01D. The daily accrual of interest shall be calculated by dividing the amount of the annual interest by 365.

.01E. At the time of payment interest may be rounded down to the nearest dollar.

.01F. When the interest rate changes in accordance with the provisions of Section 45-104.02, *Neb. Rev. Stat.*, the new interest rate shall be applied to any unpaid late filing fees and civil penalties including those late fees and civil penalties previously assessed.

.01G. Payment of late filing fees, civil penalties and interest shall be applied first to the interest and then to the principal of the late filing fees and civil penalties.

.02 A lobbyist required to pay a late filing fee and interest, if applicable, may apply in writing to the Commission for relief.

.02A The Commission by order may reduce the amount of the late filing fee and interest, if applicable, imposed upon such lobbyist if he or she shows the Commission that:

.02A1 the circumstances indicate no intent to file late;

.02A2 the lobbyist has not been required to pay a late filing fee for two years prior to the time the filing of the statement was due;

.02A3 the late filed statement shows that less than \$5,000 was raised, received or expended during the reporting period; and

.02A4 a reduction of the late fee or interest, if applicable, would not frustrate the purpose of the Nebraska Accountability and Disclosure Act.
