3) Intention: The parties hereby agree and intend that this Agreement shall constitute a waiver of any further proceedings in this matter, thereby resolving the matter without further delay and expense to the parties.

4) The Alleged Violations: The Notice of Preliminary Investigation in this case alleges a single violation of the NPADA: That the Respondent, as a member of the Platte Township Board of Dodge County, Nebraska, entered into contracts in excess of $2,000 between Victory Transportation, Inc., a business in which the Respondent is an officer, and the Platte Township Board, which contracts were not awarded in an open and public process, in violation of Section 49-14,102 of the NPADA.

Failure to make payment in the amount and at the time as required by this Agreement will constitute a material breach of this Agreement. In the event of such a breach, the Commission, at its sole discretion, may undertake to obtain such payment through legal action, and in that event, the Respondent will be responsible for all costs and attorneys’ fees incurred by the Commission in such action.

8) The Commission must approve this Agreement in order for it to be effective: The parties agree that in order for this Agreement to become effective, the Commission must approve it, and the Commission shall, if it approves the Settlement, enter an Order in accordance with the terms of this Agreement.
